

1009

What's my style. is not your style.

The best fashion advice I'd say would be just to do what makes you comfortable

Fashion is very imperanj.

1004

1005

It is worth doing well.

1010

1001

What's my style. is not your style.

1003

Be Fashion is the armor to survive / reality of everyday life.

*Fashions is part of our culture, and I feel
clothing more than just a pretty dress.*

1002

1007

What's my style. is not your style.
