

A full-body photograph of a woman standing against a bright yellow wall. She is wearing a dark green, short-sleeved, ribbed t-shirt with horizontal stripes in red, white, and black. She is also wearing light-wash blue jeans with visible rips at the knees. Her right hand is resting on her hip, and her left hand is raised to her face, with her fingers near her eye. She is wearing black lace-up oxford shoes. To the left of the frame, there is a vertical blue wooden railing. At the bottom center, there are two QR codes with the text "Scan me" above them.

A close-up photograph focusing on the woman's upper body and the t-shirt. The t-shirt has a dark green base color with horizontal stripes in red, white, and black. The stripes are slightly wavy and textured. The woman's hair is visible, and she appears to be looking off-camera.

As they gaze into the mirror, they're struck by bewilderment.  
Not knowing it is their reflection they behold, they imagine it to be  
a world of wonder and colour organised in the concave of those gleaming depths.  
They marvel at the beauty within, lost in threads of silent magic.

in closed solitude to the glory of closed beauty.  
The sun and leaves death away as she passes,  
whispering her perfect name and singing praises about her majestic case.

Once houses are decorated with the most elegant artwork.  
Recently a housewife designed the walls which make her house truly special.  
I had painted it with your unique art work, like red plumeria. And who else would do this but those housewives  
Whose ever home is embellished with their houses.
