

# *Sāroj* Ghungroo

Vol-1

Saroj

modern

They say she's something  
special about her manner  
in her eyes, modesty her  
style, grace in her walk,  
or maybe just maybe, its  
her reimagined dhotis,  
which transform her into  
a modern day goddess  
like never before she's  
unmatched in her class!
