fashion is not something that exist in dress only, fashion is in the sky,
in the street, fashion has to do with ideas the way we live, what is happening.

Distinctive charming

In love's domain it there is no enemy who to express himself from through the clothes you wear. The difference between us is in the quality of clothes we wear and the quality of the love we have.

style is when they're running you out of town and you make it look like you're killing the power.

Palettes of style

The hardest thing in fashion is not to be known for a style, but to be known for silhouette. Fashion is what you about when you don't know who you are.

Beauty is when you can appreciate your self. When you
love yourself that's when you're most beautiful.

Rhetorical collection

When you wear fashion, there is no need for anything else. Fashion is about how you place the object on the person.
