Since love grows within you, so beauty grows.
For love is the beauty of the soul

Exquisite collection....

The beauty of a woman is not in a facial mode
but the true beauty in a woman is reflected
in her soul...

The fragrant beauty

It is the caring that she lovingly gives the
passion that she shows. The beauty of a woman
grows with the passing years.

The Trend issue....

The beauty of a woman must be seen from
in her eyes, because that is the door way to her heart,
the place where love resides.

Stealing beauty....

Since love grows within you, so beauty grows.
For love is the beauty of the soul.

Runway special....

There is in true beauty, as in courage, something which narrow souls cannot dare to admire.

A full-body photograph of the same woman standing against a plain white background. She is wearing the same green dress and dupatta. The setting includes several large, terracotta-style vases of different sizes and shapes, some containing green plants. The woman is standing on a bed of straw. In the bottom left corner of the main image area, there is a small, semi-transparent rectangular box containing the text "I - 610 - 002" and a small decorative emblem.
