

The dress must follow the body of a woman not the body following the shape of the dress *

*Fashion is about dressing according to what's fashionable. Style is more about being yourself.
Style is something each of us already has, all we need to do is find it.*

What you wear is how you present yourself to the world, especially today, when human contacts are so quick.
Fashion is human language. You can have everything you want in life if you dress for it.

*"Figures it was standing out, but being considered the leader!
Being in fashion is not to be known for a figure, but to be known for a silhouette."*

*Never, ever confuse what happens on a runway with fashion. A runway is spectacle. It's only fashion when a woman puts it on.
Being well dressed isn't much to do with having good clothes. It's a question of good balance and good common sense."*

"Men can get dressed up and glamorous, but it is how people dress in their day off that are the most intriguing."

*Being well dressed isn't much to do with having good clothes. It's a question of good balance
and good common sense. Clothes must suit you and someone else in them.*

Being well dressed isn't much to do with having good clothes. It's a question of good balance
and good common sense. Clothes wear welling well someone tries to show

Being well dressed isn't much to do with having good clothes. It's a question of good balance
and good clothes come. Clothes mean nothing until someone lives in them.

*Real style is never right or wrong. It's a matter of being yourself
on purpose (Don't be into trends. Don't make fashion own you,
but decide what you are)*
