The most beautiful thing we can do is to be ourselves.

"Fashion is about dressing according to what's fashionable. Style is more about being yourself."

Fashion is part  
of the daily life  
and it changes  
all the time,  
with all the  
events. You  
can even see  
the approach-  
ing of a revolu-  
tion in clothes.  
You can see  
and feel every-  
thing in  
clothes.

"As a woman gets  
older, it's more about  
style than fashion. As  
women know their  
self more and more,  
and looking for new  
things, is getting into  
her own personal style,  
being more than just a  
fashion addict. I'm  
interested in that."
