You connect the world to what it believes has been lost forever: joy, smiles, laughter and most importantly style. You are the last fashion of beauty, in a world dominated by simplicity. And at the "Season of the season" you reign supreme with your timeless grace. Your art takes up to your belief. As you breathe, you transform the atmosphere of the world that surrounds you. And all that is without all that is lost, all that is gone is present in an instant. In your wake, the world is fresh again and breathes. Its arms, little children, and you, are perfect. Vitals, vigor and vivaciousness. The three main components of the women from all over the world seek in you. They look for the craftsman's hand, the creator of a commanding dress that empowers you and won't let them to leave the same for them. Little do they know that the art you have worn transformed you as the recipient of this eternal gift. The gift of time, and you are inseparable.

You connect the world to what it believes has been lost forever: joy, audacity, laughter, and most importantly style. You are the last bastion of beauty in a world inundated by temporary fads. Amidst all the 'flavors of the season', you reign supreme with your timeless grace. Your sari lives up to your beliefs. As you breathe, you transform the atmosphere of the world that surrounds you. And all that is without, all that is lifeless, all that is pale disappears in an instant. In your wake, life rears its head again and spreads its arms. Little wonder then, that your sari reflects vitality, vigor and vivaciousness, the three main components of life. Women from all over the world seek to vain. They look for the craftsman who's created the spellbinding dress that now adorns you, and wish in turn for them to create the same for them. Little do they know that the sari you now wear handpicked you as the recipient of this eternal gift. The spell of class, and you are inseparable.
