"What's my style is not your style, and I don't see how you can define it.  
It's something that expresses who you are in your own way."

"Fashion is part of the daily air and it changes all the time, with all the events.  
You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes."

"Don't be into trends. Don't make fashion own you, but you decide what you are,  
what you want to express by the way you dress and the way to live."

"Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how-to road map to style. It's about self-expression and, above all, attitude."

"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

## NEW ADDITION

"Being well dressed hasn't much to do with having good clothes.  
It's a question of good balance and good common sense."
