

When they talk, the world listens. When they walk,
the world stares in awe. When they deck up in these
amazing garments, the world forgets its troubles.
These maidens are carved out of pure class, and so
too their magnificent salwars!

They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were carved from desire, and so too their dresses...which are a source of great envy to all those who don't possess them.

If grace was weighed in gold, theirs would be priceless. As they realize their own value, they smile from their innermost core. And that enhances their beauty a thousandfold. All those who behold these symbols in their splendor, and in association witness how their heads is crowned.
