A great attitude does much more than turn on the lights in our world; it seems to magically connect us to all sorts of serendipitous opportunities that were somehow absent before the change.

A fashion advertisement featuring a woman in a red kurti against a background of light green and orange triangles. The woman is shown from two angles: a full-length view on the left and a closer view on the right.

The kurti is a vibrant red, long-sleeved dress with a V-neckline and a subtle texture. It has a contrasting dark blue/black lace-like trim along the neckline and cuffs. The hem is straight and reaches mid-thigh. She is also wearing matching red high-heeled pumps.

At the top center, there is a stylized logo consisting of a red and black 'S' shape followed by the word "kurties".

On the right side of the image, there is a quote in a white box: "Age and size are only numbers. It's the attitude you bring to clothes that make the difference."

Below the woman's feet on the left, the model's name and number are printed: RIHANA 710.

We cannot change our past. We can not change the fact that people act in a certain way. We can not change the inevitable. The only thing we can do is place all our strength we have, and that is our attitude.

you keep your trust, you keep the

I don't like to change my attitude based on what people say. At the end of the day, they, too, are judging me from their perspective. I would rather be myself and let people accept me for who I am than be somebody who I am not, just because I want people's approval.
