

1003

*A subtle elegance and classy piece of grace is therefore is a perfect dress of
hues and a flawless example of grace.*

1008

The lady of magical ears, the lady with irresistible vibrant glances, the lady with
convictional silhouette, the lady with her own language.

*A subtle elegance and choice piece of grain is therefore a perfect dish of
hues and a flawless example of galaxi.*

1007

Often she looked into a mirror and felt so small; often she forgot the
lines and all the words, often she spoke to herself.
