GODDESS FOR DREAMS THE IMPRESSION
FACTOR THIS SEASON

I am especially grateful that I have been able to keep my own style over the decades, in spite of the many changes that have taken place in the world of fashion and in its business. Style is when they're running you out of town and you make it look like you're leading the parade. Fashion is chaotic, and it can be an aggravation, too, but it is at its best when it allows you to express yourself. Costume is so important for everyone. It absolutely helps to get into character. It's the closest thing to you, it touches you.
