

FASHION

What's fashion is fashion shows you see those seven minutes of what
see in months of endless work of you know, going up on their and down
on high, changing them one shade of red to another shade of red, so it's the
same as any creative process. The result is what we see, but the process is really
about knowledge and work. Fashion has always been a repetition of ideas,
but what makes it new is the knowledge of how you put it together.

SOMETHING THAT EXISTS IN

TO DO WITH IDEAS.
