SENSATIONAL *diva*

Two side-by-side images of the woman in the black dress. The left image is a close-up of her from the waist up, and the right image is a full-length view of her standing on the bridge. Both images show her wearing the same black dress and accessories as in the main advertisement.

"A brand like this may look like it's just for you, but that's not all they have to offer. It's also for the shoulders, and the bottom of the dress, the legs, and the rest of it."
